Within the framework of the 'Estímulo ao Emprego Científico Individual - 4th Edition' (Stimulus of Scientific Employment, Individual Support) programme promoted by the Fundação para a Ciência e a Tecnologia, the Instituto de Ciências Sociais [Institute of Social Sciences] of the University of Lisbon accepts candidates interested in applying for research positions in the fields of social and cultural anthropology, political science, economics, human geography, history, social psychology and sociology. Applicants should take into account the agenda of ICS Research Groups available at https://www.ics.ulisboa.pt/en/grupos

Candidates should express their interest by 8th February 2021 to candidaturas@ics.ulisboa.pt. The following documents must be included:

- A curriculum vitae;
- A copy of the PhD certificate;
- A summary of the candidate's academic and scientific career, including the main activities and results of the last 5 years (or less for junior researchers) (max. 5000 characters);
- A research plan taking into account the requests of the FCT Call and the ICS Research Groups' objectives and activities (max. 5000 characters);
- A copy of two relevant publications (in pdf);
- A letter of motivation, describing the candidate's current research interests and how they fit with the objectives and activities of ICS Research Groups;
- Two letters of recommendation by social scientists affiliated with foreign institutions;
- Identification of the category for which the candidate is applying (junior research, assistant researcher, principal researcher, coordinating researcher)

Candidates will be informed about ICS decision by e-mail as late as 15th February 2021. More information:
www.ics.ulisboa.pt

About ICS

The Instituto de Ciências Sociais [Institute of Social Sciences] of the University of Lisbon is an institution for advanced research and postgraduate studies in the fields of social and cultural anthropology, political science, economics, human geography, history, social psychology and sociology.

The Institute addresses key social issues in an interdisciplinary context and is composed of a group of researchers from different areas of social sciences, from various countries. It was recognised as 'Centre of excellence' by the Portuguese Foundation for Science and Technology (FCT) and offers exceptional working conditions, financial support for research and international networks.

The Institute is located in Lisbon, a beautiful and historical city offering a rich array of cultural and social activities.
