The activities of Volunteer Project and its Outcome

I had worked with the volunteer project "Development of the health Status of the Women Workers" as a Team Leader for one year at the Chittagong Export Processing Zone (CEPZ) Areas in Chittagong, Bangladesh (2005) under technical and financial support by "Department for Investor Relations (IR)" in order to improve health condition of the women workers. Because, most of the workers are suffering several disease like Typhoid, Phthisis, Diarrhea, Anemia, sexual transmitted disease etc as a results industrial production has been interrupted as well as Country's GDP are stagnated.
